## SAVED BY A FAITHFUL WIFE

Suffered Thirty Years With Stomach Trouble and Hemorrhages of the Bowels.

The Story of a Wonderful Recovery

There is hardly any one who does not experience some trouble with the stomach. It is so common that it is frequently paid little or no attention to it. Yet, the stomach is very easily upset, and catarrh, inflammation of the mucous lining develops, grows worse—the pain and distress is increased and the truth dawns that we have chronic stomach trouble.

The case of Mr. Louis Young, 205 Merrimac St., Rochester, N. Y., is typical. He writes: "I suffered for thirty years with chronic bowel trouble, stomach trouble and hemorrhages of the bowels. We bought a bottle of Peruna and I took it faithfully. I began to feel better. My wife persuaded me to continue and I did for some time as directed. Now I am a well man." Mr. Young's experience is not unusual.

If you suffer from catarrh in any form, whether of the head, stomach, bowels or any other part of the body, try Peruna. It may be just what you need. Peruna comes in either liquid or tablet form and is sold everywhere. Your dealer has it or will get it for you. Ask for Dr. Hartman's Wonderful Peruna Tablets and insist upon having it. If you want your health accept nothing else.

All the sick and suffering are invited to write The Peruna Company, Dept. 15, Columbus, Ohio, for Dr. Hartman's Health Book. This book is free and may help you. Ask your dealer for a Peruna Almanac.

About a dozen 14 year old boys of Carrollton have organized to terrorize the smaller boys of the city, and they are carrying on more like ruffians than anything else. ## Weekly Health Talks

Where Most Sickness Begins and Ends

BY FRANKLIN DUANE, M.D.

It can be said broadly that most human ills begin in the stomach and end in the stomach. Good digestion means good health, and poor digestion means bad health. The minute your stomach fails to properly dispose of the food you eat, troubles begin to crop out in various forms. Indigestion and dyspepsia are the commonest forms, but thin, impure blood, headaches, backaches, pimples, blotches, dizziness, belching, coated tongue, weakness, poor appetite, sleeplessness, coughs, colds and bronchitis are almost as common. There is but one way to have good health, and that is to put and keep your stomach in good order. This is easy to do if you take Dr. Pierce's Golden Medical Discovery. It is a wonderful tonic and blood purifier, and is so safe to take, for it is made of roots and herbs. Dr. Pierce, of Buffalo, N. Y., stands behind this standard medicine, and it is good to know that so distinguished a physician is proud to have his name identified with it. When you take Golden Medical Discovery, you are getting the benefit of the experience of a doctor whose reputation goes all around the world. Still more, you get a temperance medicine that contains not a drop of alcohol or narcotic of any kind. Long ago Dr. Pierce combined certain valuable vegetable ingredients—without the use of alcohol—so that these remedies always have been strictly temperance medicines. If you are suffering from indigestion, if you are suffering from any of the ailments mentioned above, get and use Dr. Pierce's Anodyne Pile Ointment. The relief it gives is hard to believe until you try it. If constipated, Dr. Pierce's Anodyne Pile Ointment should be taken while using Dr. Pierce's Anodyne Pile Ointment. Few are the cases where these splendid remedies will not relieve and usually overcome. They are so good that nearly every drug store has them for sale.

On March 26, 1899, she was married to Wm. Metcalf; to this union were born 8 children, two dying in infancy; those living are Mary, Nellie Carl, Audra, Edith and Mattie Morea.

## Merchant Problems.

The small town and the small town merchant are facing some problems that in a year or two may become so acute as to become a real crisis, though both seems as ever blissfully unmindful of the fact. The agrarian movement is on again, co-operative organization among farmers are springing up all over the country, and, unlike previous efforts in this direction, seem to be following a practical working plan, to be as efficient as they are determined. All are more or less the children of the Non Partisan League, which patriotic (?) profiteers tried so hard to damn during the war, and are succeeding because, unlike previous efforts of a similar kind among farmers, they have educated men behind them, in the main men graduated from the various agricultural colleges throughout the land, and who have made of agriculture a science and a business. Back of it all is one man, now dead, David Lubin, and the renewed activity is due to the ascendancy gained and too often abused, by middlemen as a result of manipulation of the food administration during the war. The infection is spreading; an association was organized at Monroe City last week, and political action is sure to follow. Nothing seems more certain than that eventually the whole country west of the Allegheny mountains will be in the grip of the nearest approach to state socialism yet broached in this country. Party ties will not avail to check it, party organizations built on spoils and expediency are due for the junk heap, and it is time for the small town merchant to drop his smug attitude, arouse himself, and do some thinking, for things are going to change, get that idea and keep it or you will come up missing. The problem is almost upon us now and we have made no preparation to meet it.—Mercury.

## Some Stamp Bill.

Without the aid of the postage stamp but very few concerns could live, and especially so is this true of the big institutions. This very week 35,000 spring announcements are being mailed the teachers of six states by the Chillicothe Business College, (\$350.00 postage bill right there) but the March edition of Young Folk's Success, the little college magazine, 10,000 copies, is also being thrown into the mails, (more stamps, \$100.) The annual postage bill alone of this big business school is from \$350.00 to \$4000.00, but these little stamps carry the school's message to thousands of homes and gather in the yearly enrollment of over 2000. 8

## KIDNEYS WEAKENING?

## LOOK OUT!

Kidney troubles don't disappear of themselves. They grow slowly but steadily, undermining health with deadly certainty, until you fall a victim to incurable disease. Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1636 the government of the Netherlands granted a special charter authorizing its preparation and sale.

The housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. They restore strength and are responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.
